WHY

You Want to Exhibit at the LeadingAge PA Conference

Hear it from Past Exhibitors!

“

This was our first LAPA, and we were very happy with the attendance and networking we were able to complete. Will definitely be in attendance at future conferences.

The networking event was AWESOME!

LeadingAge PA is better than most at driving traffic through the EXPO hall.

Overall the conference was a success. We had great presence due to our sponsorship, and great attendance at our session, which we attribute to the time/date following the book signing - it was a great combo.
